## Otis Historical Archives

### OHA 106 Bainton Collection

**Date of Records:** 1971

**Size:** .1 cubic feet, 1 box

**Accession Number:** 1991.0027

*Otis Historical Archives*  
*National Museum of Health and Medicine*

**Finding Aid by:** Eric W. Boyle

**Access and Use:** The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Some of the records may contain restricted material. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

**Series/Scope and Content Note:** This collection consists of the text and x-ray photographs from an addendum to a seminar on bone tumors held by the California Tumor Registry moderated by Charles P. Schwinn (Surgical Pathologist and Associate Professor of Pathology, LAC-USC Medical Center) and Richard R. Schreiber (Radiologist and Assistant Clinical Professor, USC School of Medicine). Donated by Dorothy Bainton.
