Otis Historical Archives

OHA 292 Rogers Collection

Date of Records: 1876-1991

Accession Number: 1990.0010

Size: 1 Box

Finding Aid: by Eric W. Boyle (2014)

Access and Use: The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted. Files containing private patient information and protected administrative and grant records are currently closed to researchers.

Series/Scope and Content Note: This collection includes material donated from Dr. Blair O. Rogers, including reprints of his articles on the history of plastic surgery; a rare book, *Contributions to Reparative Surgery* (1876) by Gurdon Buck, MD; and copies of slides of photographs from a rare book at Columbia University, also by Gurdon Buck, *The original photographs illustrating reparative surgery* (1876). Collections at the NMHM include plaster casts and photographs of patients of Dr. Buck.
