Finding Aid by: Trenton Streck-Havill (2023)

Access and Use: The Otis Historical Archives is committed to providing open access to its collections as far as possible within the limits of privacy and confidentiality. Some of the records may contain restricted material. Access to this collection is at the discretion of the Otis Historical Archives and material contained within the records may be subject to review before access is granted.

Restrictions: This collection is unrestricted.

Condition: This collection may include fragile material that requires special or limited handling.

Historical Note: Collection consists of one item, notebook manufactured/distributed by WM. G. Dinsmore's Drug Store, Oakland, California, inscribed by its presumed owner, George H. Miller, Druggist 1876.

Scope and Content Note:

The notebook includes prescription formula text featuring apothecary or patent medicine prescriptions/formulae used by professionals at the time, including treatments for headaches, skin conditions, stomach upset, and other everyday maladies. It was owned by a druggist and includes news clippings and ephemera also related to the profession.
