Explore activity stations focused on first-aid badge requirements with military experts and NMHM staff!

Scouts will learn how:

- To triage an injury
- To prevent and care for outdoor injuries
- To respond to medical emergencies
- To build a first-aid kit
- Military medics respond to medical emergencies

This event is free!

Scouts and non-Scouts are welcome to attend!

Please request ADA accommodations five business days in advance at (301) 319-3303 or by email to:
